KNOWLEDGE & EXPERIENCE

- Running recording sessions for video games, televisual projects, audio dramas and audio-books.
- Recording, editing and mixing in both Pro Tools and Reaper.
- Recording multiple-microphone sessions as well as running remote sessions with external studios.
- Understanding of technical recording requirements and troubleshooting errors and problems during recording sessions.
- Familiar with Excel script formats, file naming & exporting requirements to ensure smooth transition through recording sessions to editing to delivery.
- Excellent at working with new clients and talent.
- Understands the importance of teamwork and co-operation during recording sessions.
- Experience in both location sound recording and post-production sound editing & mixing.

WORK EXPERIENCE

Freelance Audio Engineer | MJCSound
October 2014 – Present

Working with studios such as Molinare, Shakasonic Studios and PRL Studios to record and edit voiceover sessions for projects including video games, animation, film and more.

Working with filmmakers and production teams to record on-set audio as well as edit and mix audio for films, TV promos and online content.

Post-Production Runner | Directors Cut Films
September 2018 – September 2019

Working as part of the runner team to ensure clients in edit suites had everything they needed. Additional responsibilities included administrative work, light technical assistance and opening and closing the studio.

After shifts, shadowed the Dubbing Mixers to better understand their role and further my own understanding and knowledge.

Theatre Sound Assistant | Urdang Academy
February 2015 - July 2015

Mic-ing up cast and monitoring microphone channels during performances while liaising with the Sound No.1 to ensure clear transmission to the sound desk.

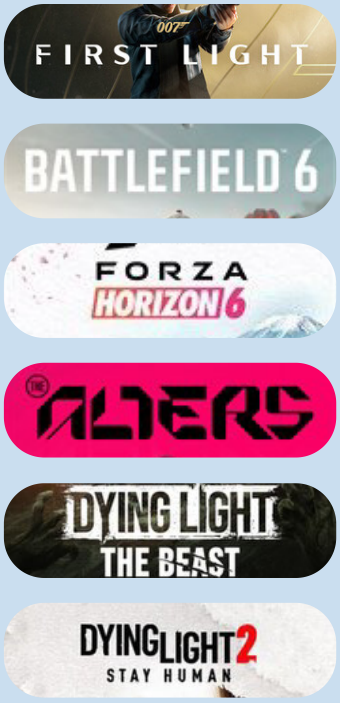

Responsible for replacing/repairing broken microphones/radio packs and assisting in the set up and pack down of the sound department's equipment.

EDUCATION

University of Kent
BSc Audio Design & Production (2:1)

Richard Challoner Secondary School and Sixth Form
A Levels: Music Technology, Maths, Physics & History
